++ Valid for broadcast between 1800 and 0600

Headline:
Dry with some sunshine across much of Scotland on Thursday.

This Evening and Tonight:
A clear, dry evening for most of Central and Western Scotland but more cloud in the east. The cloud is likely to spread westwards overnight with a little drizzle for Northern Isles and northeast Scotland.

Thursday:
A little drizzle over Northern Isles at first, otherwise another dry, settled day across Scotland. Best of sunshine in the west with stubborn areas of cloud in the east.

Outlook for Friday to Sunday:
Friday and Saturday will remain settled with a mix of cloud and brightness, becoming breezy in west later. Dry for much of Sunday but rain is possible in southwest later.
